Experience the popular and highly acclaimed three-part video series featuring influential spiritual luminaries who offer you breakthrough perspectives to create the life you want!

Quest For Life Trilogy

For the first time, a group of the most influential human potential authorities in the world are presented in one of the most critically acclaimed and inspiring motivational video series ever produced!

Listen to Deepak Chopra on the spiritual laws of success. Learn from Carolyn Myss as she presents her breakthrough views on healing and empowering your spirit. Marianne Williamson shares her profound insights on how to transform the world through love. Stephen Covey gives us the vital steps to slide into the "abundance mentality", relinquish fear and the benefits of following the "7 Habits of Highly Successful people."

Open your heart as Bernie Siegel inspires you to live with more passion and heal your mind and spirit. Discover the power of individuality, creativity, and belonging from David Whyte who offers his striking poetic encouragement to live a life of vision, courage, and authenticity.

Learn to care for your soul from Thomas Moore who helps us uncover the idea of eternity, wonderment and enchantment in every day life. Learn how to bring abundance into your life with Sarah Ban Breathnach, who demonstrates how to enrich your soul with what it cherishes most – simplicity, harmony, and beauty. Broaden your horizons from the wise teachings of Stephan Rechtschaffen, who shows you how to take more control over your life by timeshifting into an expansion of "now."
